The Retzloff Family - June 19, 2009 at 12:00 AM

“ I was a client of Mr. Wrights a few years back. The day I walked into his office he was very friendly and showed me where his wife's office was and what kind of lawyers they were. He went out of his way to make me feel welcome he always had a smile when ever you saw him in his office or out. My condolences go out to his wife and children and all other family members. I understand how it feels to lose a loved one my 4yr old granddaughter was killed. It will be hard just always keep the good thoughts. The pain gets less but he will always be with you. I would like to share this saying with you because it touched my heart for my Granddaughter and our situations are very much the same. I also want you and your family to know I will keep all of you in my prays and wish you the best thought all. No Farewell Words Were Spoken, No Time To Say "Goodbye" You Were Gone Before We Knew It and Only God Knows Why.

“ We are so sorry of your loss. We did not know Doug personally however, he was great friends with our great friend's Dave and Jill Fessler. We just learned after Doug's passing that he helped Dave on our Son's case. We cannot tell you the profound impact Doug had on the case. You don't know how much this meant to us knowing Doug was there for us in ways we never knew. You must be so proud of Doug and all his great work, accomplishments and how he helped others. Our only regret, is not having had the chance to have known him. We will always be grateful a carry that in our heart's forever.

Our thoughts and prayers are with you at this very difficult time.

Fondly,

“ I wish there were words that could lessen your pain of your tremendous loss. I was so very sad to learn of Doug's passing. Reading all the entries of all the many lives that Doug has touched in his 48 years makes me cry and smile at the same time. I knew Doug in high school and as the others have said I am not at all surprised that Doug turned out to be the man that he had become.

My thoughts and prayers are with all of you in this very hard time.

Jackie Graham Scheible - June 13, 2009 at 12:00 AM

“ I'm at such a loss for words! Doug was so much fun to be around and will be so dearly missed by everyone who knew him. I haven't seen Doug for probably 28 years but by reading the other entries I am not suprised to find that Doug turned out to be such a success and honorable man. I never doubted he would. I feel so bad that we don't keep in touch with people from our past. We just get so busy living our lives. Judy, Carolyn, David, Daniel, Rachel and Griffin you were all so cherished to have had such an exceptional human being in your life who will be missed by so many people! It is true that memories of Doug will live in our hearts forever.

God Bless all of you....Gwen "79"

“ I haven't seen or talked to Doug in over 30 years. But, I still always knew about his life after high school. My favorite memory was his lead role in "My Fair Lady." He had pluck to stand up and sing in front of the whole school! It is a shock to hear of his passing. My sincerest sympathies go out to his entire Family.

Doug Williams (Class of 1978) - June 12, 2009 at 12:00 AM

“ No matter where we saw Doug, he also had a smile, an extended hand for a sincere handshake, and something light hearted to say. You don't find too many people like that anymore. That was just a few things that made him special. Our thoughts and prayers are with you, his family, and with all his many friends and associates. God Bless.

Junel Markesbery - June 12, 2009 at 12:00 AM

“ I worked with Doug and Judy when they first came to Pendleton County. I learned so much from them and with them. I remember staying late to get the Appeals "just right" and off into the mail. I remember when we had a bad snow storm Doug would come to my house and get me to bring me to work. Both Doug and Judy were wonderful to work with and I love both of you dearly. It is such a hard thing to deal with and I know God will guide you through this. You are strong people and you have the world of support. I am praying for your family day in and day out!

Martha Gosney - June 12, 2009 at 12:00 AM

“ I was saddened to hear the news of Doug's passing. Doug and his family were next door neighbors when they first moved to Clarion. When we were 9 10 11 years old we played a lot of wiffle ball and tackle football.
I think of something occasionally I will always remember. Corny I know.. After the Pirates won the 7th game of the 1971 World Series, Doug and I, who were watching the game in each of our homes ran onto 8th ave both expecting to see the town rejoicing and found nothing. Like the Pirate players on the field, Doug and I made our own celebration jumping for joy on the sidewalk along 8th ave.
May God Bless.

“ I want to offer my deepest condolences to Doug's family. I knew Doug in elementary and high school. His eyes always radiated with intelligence, compassion, and a deep love for life. I have a vivid picture of him in my mind from elementary. I see his picture now and realize he didn't change at all. He obviously shone his light on so many people - he is so loved. I can only imagine the depth of the love he had for the people closest to him. That is eternal. My thoughts and feelings are with you all.
Sincerely,
Carol Tristano

Carol Tristano - June 12, 2009 at 12:00 AM

“ My deepest heartfelt sympathy goes out to all of the Wright family in this time of their loss.
Doug and I were pledge brothers at IUP. His poise, character and unflappable manner, even as a young man, was remarkably evident. His ability to make the best out of the worst was a gift. He could make enemies best friends with a short conversation and a joke, usually ending in a handshake or hug. Of his many gifts, was an incredible sense of humor.
Although I knew Doug in college, it is great to read the entries of the people and the lives he touched in his life and his accomplishments. One thing for sure, he remained himself throughout his life. Always true, respectful, caring and oh yeah- just plain funny.
To all of Doug's family and friends, may God continue to bless you all in this time, as He did by letting each of us come to know him.
It is indeed my honor to have known Doug. He will be missed, but never forgotten.
Rest in peace Brother Wright

“ 11 June '09

Dear Mrs. Wright, children & extended Wright family,

Please accept my heartfelt condolences on Doug's tragic death. A demise like Doug's shakes our Christian values to the core.

I got to know Doug in the early 90's, when I was PD in Fleming Co. and he had several cases in Fleming Circuit and District Courts. I found him to be A highly competent younger lawyer, as well as a congenial, intelligent, genteel, principled and sincere man. As we say in the Kentucky mountains, where my roots are, "he was one fine feller"! I mourn his passing and I shall miss him a lot!

I pray that God will comfort all of you and ease your pain now and in the future. I also pray that God will rest Doug's soul. I'm sure he is enjoying a new foursome in heaven! God bless all of you.

Sincerely,

Bill Sewell

“ Dear Judy, Rachel, Griffin, Mr.& Mrs. Wright & Daniel: I'm praying that the many loving words and prayers from those who knew Doug will surround and comfort your family like a blanket of God's love, helping to heal your broken hearts. I'm so saddened and sorry for your loss. I became friends with Doug in high school, and had the privilege of appearing on stage with him in several theater productions -"West Side Story" and "Never Too Late." He was a very talented and multi-faceted guy, with a contagious smile, and a delightful sense of humor. Though I haven't seen Doug in many years – I feel blessed to have known such a wonderful person, and I will always remember him with a smile. You are all in my thoughts and prayers – God Bless.

It saddens me to know that he is not here with his family now, but also glad to know that he is home with the Lord and will always be watching over his wonderful family. I'm sure you remember the flood in Falmouth -- Doug laughed at the canned bread we brought down for you all! He also appreciated fine movies (e.g., Raising Arizona!) Wish we'd kept in touch better than the annual Ky Bar CLE. Doug was a great guy and will be widely missed.

“ I do not know what to say. Doug was my boss but most importantly he was my very dear friend. I have worked with Doug for 12 and half years and I could not have asked for a better person to have been my boss/friend. He was such a joy to work with. Our relationship was so close that most times I could anticipate what he was going to ask me or what he needed before he would say anything. He was so wonderful to me. I am going to miss him deeply and my heart aches that he will no longer be in my life. The last time my heart hurt this much or I have cried this much was when I father passed away. I could go on and on about Doug, but everyone knows he was a very gifted, talented, and wonderful man. I also worked with Judy and she too could not have been a better boss/friend to have worked with. When Doug and I left Falmouth and came to Cynthiana after he was elected Commonwealth's Attorney, it was one of the hardest things I have had to do in my life. When you work with people you dearly love they become family and when those people are gone from your life, the pain is so extremely painful. Judy, Rachel, and Griffin, I can not express to you how I feel for each of you. You are my family and I am here for each of you today, next week, next month, next year, and forever. Please do not hesitate to call on me. I love you all so very much!!

“ To the Doug Wright family, I am so sorry for you loss, I played sports in Clarion with Doug, from little league baseball to varsity football. Doug was always a team player, and had a great sense of humor. I spoke with him not long ago on the CAHS web site. He will be greatly missed.

Greg Smathers - June 10, 2009 at 12:00 AM

“ Doug: Somehow, some way, I KNOW you can hear me. I miss you. I miss the memories. The Red's games, our lunches in Falmouth, our annual dinners with Jill and Judy, the time your burnt your mouth so bad on hot wings at the Midway you couldn't drink your beer, the wine "tasting" at Chateau Pomije, the lobster attack at Morton's steakhouse, working on PI cases together, and sharing dreams and fears about family, running our own businesses, etc.

There is only one Doug Wright, and the sun shines a little less brightly with you gone. But your memories will sustain me, our friendship will always warm my heart and brighten my day.

Judy: Tomorrow and Friday if you need me I'll be there. Same way for next week, next year and next decade. As long as the good Lord keeps me on this earth I will be there for you and the family.

You are in my thoughts and prayers constantly, and Jill and I send our best to you and the kids during these difficult times.

“ Friends and family,

My name is Cliff Bashline, and Doug was a friend, no, has been, more than a friend, from childhood through teenagership, through young adulthood and growing up in Clarion together and playing sports together and a sincere friendship, while enjoying each others company throughout all those years. Doug was a year behind me in high school, but, and along with Anthony, Chris, Kevin, etc., I always felt I was born a year too late, as I was most comfortable with Doug and his class of 1979. Regardless, I have, and will always have, extremely, extremely, fond memories of my friend, not just from our experiencing and playing sports together, but because of the person, the man, my friend that I will remember and will carry happy, happy thoughts of him and our times together until it is my time to see him again. I miss him already, and can only imagine how much you all of you feel. I believe that life can be measured by those that care/love you; Doug's measurement.....is fathomless!!

We were so saddened by the news of Doug's passing. We have all lost a dear friend but you have lost so much more. You are in our prayers at this difficult time.

My (Joe) memories at IUP and Phi Sig are many but every one of them of Doug makes me smile and laugh. He was "one of a kind"! May the Lord bless you and keep you. May His face shine upon you, may He lift up His countenance and give you His peace.

“ When my son passed away at age 13 from cancer, Doug was then and has continued to be one of those who has comforted me most. No matter the question, Doug always listened and then offered sound words of wisdom. No wonder I have called him several times a week it seems for advice on everything from legal questions to questions of "faith." In some ways Doug will be painfully missed. But in another way he wont really be missed at all. Maybe he will be still be with us.

“ In Doug's short life, it is obvious that he was loved by so many. Doug helped to guide me through Pendleton County when I first began to practice there and made me feel welcome. He was always kind and friendly. I especially admired his positive attitude and warm smile. In the past few years, I enjoyed seeing him at Prosecutor's conferences and catching up on news about Judy and the children. He was a true gift from God. I cannot imagine the sorrow and great loss that Doug's family must feel, but please know I am praying for you.

God bless and comfort you in the knowledge that you raised a wonderful son who was a credit to you and all who knew him.

“ Judy, Rachel, and Griffin,

My thoughts and prayers are with you. It is truly a great loss. Doug touched many lives and everyone who knew him is a better person for that. You have a lot of freinds and family to lean on for support-use those resources. Again, I am so sorry. Sally

“ Judy and family,
You may remember I spoke at Butler Methodist Church on Fathers day two years ago.
Last year Doug and I attended the men's walk to Emmaus and had several opportunities to talk.
I know your church family will give you much love and comfort. However I also know nothing can replace Doug.
Please take comfort in knowing that Doug was a good man and that he is now in the hands of a "being who does all things well".
God bless you and your family.

“ My heart aches for all of you. What a fine man Doug was. It was an honor to have known your husband, your father. My prayers will continue for your broken hearts, that you again will smile and know that the world did, indeed, stop for a moment in time.

“ I went to grade school and high school with Doug. Even then, you could see his quick wit, wicked sense of humor and intelligence. I had the pleasure of reconnecting with him in recent months through our High School Alumni web site and Facebook. I know he was extremely proud of his children and felt blessed to have Judy by his side. My heart goes out to all of you and his friends and co-workers. He will be greatly missed.

“ Please accept my deepest sympathies on Doug's passing. He and I were fraternity brothers at IUP and with that, so many wonderful stories. I always enjoyed his wit and dry sense of humor and we always enjoyed a good verbal repartee. My last name is Zvirman but somehow Doug turned that in Professor Hans Zvirmacher and I was Hans ever since.
My heartfelt prayers are with the Wright family.

“ Our hearts are hurting for you and our prayers are going up for you. Doug was a wonderful man and an asset to our community. The world is a better place because of the time Doug spent her. May you feel the love of Christ as you go through this difficult time.

“ Doug was always a consummate professional and treated me with dignity and respect. From helping me when I was a young public defender, to assisting me as a new prosecutor to putting gas in my tank when I ran out once several years ago, Doug will always be remembered as a class act. His loss is a loss to the bar, the circuit, and to the public. My heartfelt prayers are with his lovely wife Judy, kids, parents and friends and family.

“ To the Wright Family,

We were so shocked about Doug and our hearts ache for all of you. Our thoughts and prayers are with you to give you strength.

Doug was a true gem! Beside's being one of my brother's (Anthony) best friends, he was friends with everyone he touched. I have many high school memories of Doug! Ones that makes me smile and laugh out loud as I am typing this. It was a privilege and honor to have known Doug. He truly will be missed by all.

Please accept our deepest sympathy.
