“ I loved my granny I never got to be a grandkid that got to see her all the time. I regret that. Granny always had a smile on her face and a reason to laugh. Rest easy I love and miss you, I will never forget you I promise. I'll make sure my baby knows you. I wish you could have met him. I know he'd love you. I wish I would have gotten to see or even talk to you or more time. Gone but never forgotten I'll always love you. Always your grandkid monkey
