“ Sandy, Karen and Gary, my deepest sympathy to all of you in the loss of your sweet mother. The loss of your mother is one of the most heart breaking things you will ever experience but NEVER forget those wonderful memories of your hours and days with her. I lost my mother in 2001 and there is not a DAY that goes by that she is not in my thoughts. We had wonderful caring mothers who laid a great foundation for what we have become. I have such fond memories of your mother in the school cafeteria at PHS. Always smiling and so sweet to all the students, that I will never forget. And her cooking was so good too. I loved her pimento cheese and potato salad. She was a wonderful Lady and we know she is looking down on us and smiling and saying, don't mourn for me, I am at PEACE. What a wonderful feeling that must be. Prayers to all. Terry England

“ Dear all who are mourning the loss of Miss Kathryn,

Some people manage, effortlessly it seems, to leave an indelible, warm impression and that was certainly the case with Mrs. Moore. We were with her twice and she so much reminded us of Aunt Mae, our favorite kin. We just knew she was interested in us, wished us the best and would respond to any need. And..she enriched quite a number of holidays with a salt-cured country ham. While out veins probably remain clogged to this day, recollections of that ham with eggs, along with the other memories, cheer our hearts. There is a time for everything, some things are just so hard, like a mom going home. Our prayers are with you all as you celebrate her life, mourn her passing and embrace her memory.

Warmest, prayerful regards,

Barbara and Frank Wheeler
