“ Ms. Lina was a wonderful lady and the Picklesimer/Dean families were blessed to have her in their lives. May God comfort and strengthen the families during this time.

“ The Picklesimer Family has lost another special member. I can remember many special visits to her home and always feeling welcome, the times I would speak to her on the phone and tease her and tell her I was her favorite nephew and she would always humor me. I know her family misses her terribly and feels such sorrow, but know that the angels in heaven are chuckling a bit more now that she has arrived with her great sense of humor. God bless you all.

“ I wish to express my condolences to the family. I did not know Lina personally but know she had to be a remarkable woman because she has a remarkable family.
