“ Michelle was my neighbor for awhile . My daughter & her granddaughter use to hang out all the time. I would always see her walking her car Simon in a cat stroller (whom I have now). She loved that cat. Every time I would go into Wyatt's she would ask me about him. She was such a beautiful kind hearted woman. I loved our talks. Prayers to her family

“ To all of Michelle's Family,
I am so very sorry for the loss of your dear loved one. Michelle was a wonderful person and I have lots of great memories of her as we went to school with each other all 12 years. And even after graduation when I would see her she was always smiling and would stop to talk. May God wrap his arms around you and comfort you during this very difficult time. You will continue to be in my thoughts and prayers. God bless you.

“ Oh my sweet,sweet Michelle my heart aches but I am so,so happy you have no more pain ! You and I go way back sweetie as for our mothers were best of friends. I still and you did also get a good laugh at them both ! They were both ashamed of us because you and had to take our drivers written test over and over..seven times to be exact ! Oh dear I know your laughing while I am writing this because we both know it was hilarious ! I did not get to spend as much time with you in the last few years but you were always on my mind,wondering where you were and what you were doing . You had a few rough years losing 2 children and a brother,but you kept on going raising your daughters and son. I found out a few years back that your granddaughter was your whole world! She is beautiful as you knew that sweetie.Then you were thrown another curve ball and you tried so,so hard to fight it,but in the end we know the Lord would finally take you home. I know your enjoying your other babies now and spending time with other family. I will always remember your smile and your contagious laugh,as for most of the time we were laughing at ourselves. May the Lord give your mom,Tony, children,grandchildren and family the peace they need to go on forward without you here,your among all of the angels now

and your a beautiful one amongst them. Our childhood took us unto adulthood for there will always bond ! Rest easy and fly high sweetie because as you have found out before us that heaven is a place you never want to leave, your free so work those angel wings like no other ! I will always think of you as my driving partner..love you always sweetie !

“ She was the sweetest, funniest, genuine lady I have ever known! I will miss her dearly! I enjoyed working with her at Wyatt's. We had so many laughs and talked a lot about cooking. She was a dear friend and I am so happy that I got to know her from working at Wyatt's.
