“ To the Nordheim family,

Please accept my deepest condolences on the loss of your dear love one.

May you find peace and comfort in Jehovah God and all that he promises in his word the Bible.

John 5:28,29

"Do not marvel at this because the hour is coming in which all those in the memorial tombs will hear his voice and come out."

“ I can always remember coming out to the house on the weekends when dad was coming to p/u his paycheck, and Uncle Ralph always sitting in the family room when we came in. We would all go to the kitchen table, let him write out dads check, and he would always get us something to drink or even snack on, what great memories. Uncle Ralph will be greatly missed, and I will never forget all the good stories I heard from my grandpa Guy about some of the things that happened through out the years.

“ I can hardly remember what I was doing yesterday, but I can sure remember what I was doing 48 years ago! I was walking down the aisle in front of you two, worried that I was going to drop the rings.

I will truly miss him, as I'm sure so will many.
