“ Ann and Gary we are so sorry to hear the passing of Teresa. We just found out yesterday. Ann when I was talking to you at the family reunion you told me Teresa was real sick. I thought about calling you several times I sure wished I had. Please forgive me. I read all the beautiful comments on the tribute page for Teresa. Sounds like she was an amazing young lady full of love and kindness and loved by many. You must be so very proud of Teresa!
Thinking of you, Kevin and the children with much love.

“ We're so sorry to hear about your loss. At Ecclesiastes 9:11,12 , it states,"I have seen something further under the sun,...because time and unexpected events overtake them all. For man does not know his time....when it suddenly overtakes them." At John 11:25, Jesus said ..."I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." May these scriptures give you hope and comfort as they did our family. May God be your strength in the days to come.

“ I remember when I first met Teresa, back in the late 1990's, and I thought "what a sweet girl with a beautiful smile!" Little did I know, she really and truly was that nice, kind, and truly genuine.....I would tease her about this later and it would make her just smile and giggle! Over the years Teresa became a great friend who I loved dearly. She was a beautiful person with a beautiful soul and spirit. She was just full of all goodness! She saw the good and God's love in everyone and everything! I was truly amazed at how she did everything she did, from being a wife and mom, to working and caring for her family, and being a pastor's wife, to being an irreplaceable friend and co-worker - Teresa was truly amazing and full of God's love! She was so devoted to home-schooling Noah & Elli. She also used to say that caring for the babies and families in the CICU was her own personal ministry.....little did she know that she really "schooled" her friends and co-workers on how to live and love others and shine in God's light. I could go on for days listing all of Teresa's wonderful qualities.....my heart is broken now and the tears are flowing because I miss my dear sweet friend and I know no one could ever replace her! I'm so sorry that Kevin, Nathan, Noah, and Elli didn't get more time with her here on Earth. I don't want to say good-bye to you, so I will say that I will see you later in a better place! I know you are at peace now with Our Lord and have been reunited with your Mom as well. I hope you knew how much you meant to me. I love you my dear sweet friend.....rest now, until we meet again, and every time I think of you, I will see your beautiful smile from Heaven.

“ I was blessed to meet Teresa through our involvement in the Pediatric Heart Network. Teresa was always such a pleasure to work with and inspired all of us with her upbeat and positive nature. She was passionate about research and even when she wasn't feeling 100% she gave 110%, always with a smile! She will be missed as a colleague and a friend. Love and prayers to her family, who I know meant the world to her.

“ I am so sad to hear of Teresa passing. We met when we attended AMCC more than 10 years ago and I just remember her being one of the sweetest and most genuine people I have ever met. She had such a radiant smile and always with a kind word. My heart aches for the family. May God keep you and sustain you during this most difficult time.

“ I spent many shifts working beside her in CICU. She had such a beautiful smile and the best attitude even in the saddest and most stressful of situations. She will be greatly missed. Much love her family!

Christa Barlow - December 20, 2016 at 10:38 AM

“ I oriented Teresa when she started working in the CICU at Children's. Her loving, caring, eternally optimistic and smiling attitude was a ray of sunshine in a place that can be very dark at times. I have missed her every day that she's been gone from the CICU and enjoyed every time I ran into her in the halls. She was loved and she will be missed.

“ I was Blessed to not only call Teresa my coworker but more importantly my friend. Her smile would always light up any room she walked into and her love, kindness, and generosity were evident in everything she did. Teresa was an amazing nurse, wife, mother but most important she was just an amazing person that taught us all how to live and love. I am truly heartbroken over her loss, but I have no doubt she is now sharing her beautiful smile with all of Heaven. My thoughts, prayers, and love go out to your family as you mourn her loss. Thank you for sharing Teresa with the rest of us, and thank you Teresa for being a shining example to all of us.

“ Thinking of you and wishing you moments of peace and comfort as you remember what a wonder person Teresa was. It was truly a pleasure cheering with Teresa back in high school. She always had a huge smile that I now know reached so many people. May God be with you all in this time of need.

“ I met Teresa in 3rd grade when she switched schools. We became best friends instantly. Although I didn't see her very often when we did we would pick up like it was yesterday and reminisce of different childhood memories and laugh. She has definitely touched so many lives with that bright smile and caring personality. She will be missed by so many. You are all in my thoughts and prayers.

“ Teresa loved her family, friends and Lord fiercely and whole heartedly. Teresa is the most caring, courageous, and loving woman I've ever met. She loved and lived to serve her Lord and Savior. I admired her faith and ability to trust God completely. I'm sincerely sorry to hear of her passing. Praying for peace in this time of sorrow. My friend, I love you and will see you again.

“ I'm am very sad to learn of Teresa's passing. Even though we were only friends for a brief time getting to meet your family and riding your horse on your neighbor Rick's property was what led this city/suburban guy out to the country to purchase the old Beyersdoerfer Farm. God bless you and you family.

Matthew Wessendarp - December 19, 2016 at 09:31 PM

“ So sorry to hear of Teresa's passing. Such a sweet girl. She was always in the front row of my classroom with a big smile on her face. She made my first year of teaching very pleasant.

“ I don't think I'll ever understand. The only thing that gives me comfort is the fact that I know she is most definitely in Gods arms and He is taking care of her now. I don't know of anyone that had a smile like Teresa. I think of her and I smile cause that is the effect she has on you. I wasn't around her much over the years but it didn't matter cause she never changed and it always felt the same when I did see her. She was one of a kind and truly an angel sent from above. Now she can watch over us from above and let that smile of hers keep us as happy as she was.

“ Such a kind person and a sweet friend. I became friends with her through school and on the bus together. When we became nurses we talked, we didn't work together but I could tell she loved caring for people. My love thoughts and prayers to her children, Kevin, all of her family and friends. She was a good person and will be missed by many.

Laura Simpson - December 19, 2016 at 08:41 PM

“ Teresa was such a kind and loving person. She was such an inspiration as a person, as a parent a nurse and a teacher. Our conversations about homeschooling her beautiful children, the importance of it, as well as how much it meant to her were truly inspiring. She is one of the reasons my husband and I decided to homeschool our children. I will never forget the importance of calling it discipleship in her family and not homeschool. Thank you for your discipleship to me and your pure love for all of those around you! You will be greatly missed!

“ My dear friend. I can't believe it. I just tried to look you up on the hospital email Friday to let you know about my son Adam. Well now you are with him. Teresa and I graduated with our associate degree in nursing together from NKU back in 1995. She is a beautiful person and a wonderful smart nurse. I'm blessed to have had her as a friend, study partner and co-worker. Prayers to your family. You are in my thoughts, holding you close. I'm so sorry she's gone. Love to you all.

“ So very sorry to hear of her passing. I have missed her through the years and loved Noah and Ellie playing with Lizzie at the church when they were younger. Lizzie planted a big ole kiss on Noah when they were about 3 and we all laughed. My heart is sad for the whole family and I will pray for you all.

“ Amazing person, many fond memories and her kindness and patience with me as a new nurse! She was a wonderful person!

kelly falcone - December 19, 2016 at 04:57 PM

“ Loved this girl. We lost contact after graduation, but she has crossed my mind so many times over the years. She had such a wonderful personality and always had a smile on her face. I loved kidding with her, especially about just silly things, like her handwriting...it was always straight up and down. She'd laugh when I would joke about it and even wrote in my yearbook, "I do NOT write straight up and down!" She was loved by many, I'm certain by more than she realized and she will be missed and thought of with fond hearts time and time again. Be free of pain, my friend and sore with the angels, and know you left your mark on this world....as well as in our hearts. Until we meet again.....I love ya, girl.

Tracee Spencer - December 19, 2016 at 04:18 PM

“ Our hearts ache for you in the loss of your wife, mother, daughter, sister, and daughter-in-law. We wish we could take away the pain. Teresa was such a wonderful young lady. She fought with great courage and hope, and her life will remain an inspiration to all who knew her. May you find peace and comfort in the knowledge that she is now with God, that she is in no more pain, and that she has received her eternal reward in heaven.
