“ *Jana and family:*

I am so sorry to hear of your mom's passing. I read it in the paper last night or I would have been there. Your mom was one of the sweetest women I have had the previlege knowing and she will be greatly missed. I loved seeing her and your dad at Howard's on Sundays when they came to Falmouth. I will keep you Melba, Perry, your families and your dad in my prayers.

“ To Ben and family. In times as this, it makes us realize that moments and memories are so very special. Ada was so special. I will always remember our visits to your home when I was young and the hospitality that was so abundant. Your family has been a part of my family for many years. I just wanted to let you know how sorry I am for your loss and that all of you are in our thoughts and prayers.
