“ In Remembrance of my Great Aunt Alice.....

A remarkable lady of character who was joyful, humorous, graceful and radiated beauty from the inside. My Great Aunt Alice always displayed kindness, which touched the lives of many. Those who were blessed to know her will always remember that little winsome smile she so often displayed and was so willing to share. .. she had a natural ability to offer a kind word and demonstrate a positive attitude.

My fondest memories growing up as a little girl were the many cross country trips my family would embark on from California to Kentucky each summer. Those trips would include visits to my Great Aunt Alice's and Great Uncle Orville's home. I could not wait to get there to see them and allow myself to feast upon her country home cooking. I can still remember her looking down at me with those big beautiful eyes, winsome smile and sweetness in her voice and asking, "would you like a piece of apple pie with ice cream". As you can imagine, I continued to make those trips almost every year for the last 40 plus years in hopes of getting my pie; as always there were never any let downs.

My Great Aunt had a sense of humor that could brighten any room; we shared many a great laugh together.

She loved, and was loved dearly by, her family and friends. Her devotion and commitment to God was the binding and foundation to everything in her life.

Her 73 years of marriage to my Great Uncle Orville is a great achievement and is truly admirable.

It has been said that people come and people go out of your life, but very few leave footprints. My Great Aunt Alice left those footprints on my heart. She will be missed by me and many others. I will cherish the memories I have and consider myself blessed to have had the honor to know such a remarkable lady.

With All My Love,
