*Just recently learned about the passing of your mother. As you know I was very fortunate to meet her during my childhood days. She always had time to speak with me and share her wisdom while providing solid direction. As years passed and I had left the area I could always drive pass the house and she would be sitting on the porch were sometimes I would stop and say Hi or wave has I went by.*

*My thoughts and prayers are with you and your entire family*

“ *My deepest condolences to you all. Aunt Alta has a sweet place in my memories from my childhood. We would often come over for visits when we were staying with Mamaw and Papaw Plummer. I remember her always chewing gum and sitting on the porch swing while we caught lightning bugs in the yard. It was nice seeing you Marsha and Roger for Christmas last year. I am sorry this is coming so late as I just heard the news way out here in Seattle.-Warmly-

“ *Millie & Family,*

*I just learned of your Mother's passing. I am so sorry I did not know sooner. Your Mother's home was like a second home to me as a child, and I will never forget some of the fun times we had there. I know this is a very difficult time for all of you, but remember all of the laughs and joy you shared with your Mother, and her spirit will certainly live on through all of you.*
