“ I remember when I was a little girl Beth would babysit me & Serena when Mom & Dad went out, we always had fun. I remember her taking me to see Sesame Street on Ice & I thought that was the coolest ever! I think she took us to the Ringling brother circus too. I used to stay with her on the weekends when she moved into her apartment by Uncle Jerry's & Uncle Jimmy's pool hall. She always kept peanut butter,ding dongs, & nesquick chocolate drink mix. I love u Beth, I have so many memories too many to put here. Uncle Gary, Aunt Pam,David,Benny,Johnny, & all the family, I'm sorry for your loss

“ I've known Beth for 40 years and she made me laugh every time we were together. Beth had a huge heart and loved children. Beth was down to earth and very sweet because of this everyone loved her. I was blessed to call her my friend. I miss her already. Ramona

“ My heart is breaking. I have so many wonderful and funny memories of her. She was one of a kind!!! She would tell me that when we had to go out of work she knew we would always be stopped by a weirdo and we always were!!! We would laugh until we cried at things!! To know her was to absolutely love her to pieces. I started calling her Rooney and I don't know why but that name stuck. Well, Rooney, you will be missed so very much. I just want you to know that as of now you are healthy and happy and that is how you should be. Please keep everyone where you are laughing and loving everyone. I will always remember you and our times together. I will miss you so very much. Rooney, I will always think of you and I will love you forever. Donna Grote
