“ I had so much fun growing up with you, walking the pipe bridge, sitting on the front porch and talking to your dad through the window, foot racing Danny up the street (ok, not much of a race, he always beat me), sneaking into the drive-in (in the trunk of Tim's car, I think). The Robinson family made me feel like I belonged there and for that I will always be grateful. I miss you already. Sending much love to my second family. Lori
