“ Jimmy, Richard, Gary and family sorry for your loss but as Richard
and I were talking she is comfortable and peaceful. She was always
so kind and caring, every time I would see her she would really want
to know how the family were doing .

“ Bro. Richard, although we did not know your mother personally, we are indeed saddened for your loss as well as for the entire family. We are praying for all your family and asking that God give all of you a special measure of His peace and comfort at this time. May God be with you as you have this special, although difficult, time to minister to your own family at her service on Wednesday. May God bless you all in the days ahead. Michael and Brenda Stanley
