

Barbara June Vallandingham

June 18, 1940 - November 4, 2025

Barbara June Vallandingham (nee Faulkner) of Edgewood passed away peacefully at her home on November 4. She was born on June 18, 1940, to the late Granville and Dellaree Leach Faulkner.

Barbara retired from the Federal Government's General Accounting Office (spent many years traveling back and forth to DC). She continued to stay in touch with their "lunch bunch". Barbara and Charles loved to travel (domestic and abroad), attend concerts at Renfro Valley, the Grand Ole Opry, Staunton, VA for the Statler Brothers 4th of July celebration, and more recently wherever Dailey and Vincent were performing. They traveled to Amish Country as often as possible. Basically, their home was a haven until they could figure out where to go to next. She also took an active role in coordinating the Morgan High School Class of '58 reunions.

Barbara and Charles also enjoyed spending time with all the extended families, especially the New Year's Eve get togethers on Charles' side of the family and more recently getting together with her cousins every 3 months.

Barbara is preceded in death by her husband Charles and her sister Mary Elizabeth Faulkner.

She is survived by her 2 children, Melanie Wood and Grady Vallandingham, 5 grandchildren, 5 great grandchildren and 6 great-great grandchildren. She loved to be surrounded by her family.

“ Babs, as I like to call her, was a mystery...always the consummate southern lady, she had a naughty side and an infectious giggly laugh. I only learned of this later in life as she was very strict on my BFF Melanie and didn't let us see that side until later. She probably had some foresight of the antics that Melanie would get into after high school. While strict, Babs and Chuck thought the world of their children and grands and never wavered in their love for Melanie, her little brother and those three monsters she produced. This is not the time to be sad for Babs...this is the time to rejoice in her life accomplishments and the memories she leaves behind in all of us. Love you Babs, give Chuck a kiss for me!
