“ My brother Bruce and Barry went Texas looking for work back in 1984? They drove there in Barry’s little maroon car hoping to find work in the oil fields. However, Barry was homesick and missing his girlfriend so he and Bruce had to come home... after 7 days. Barry was a good friend to Bruce and it was fun knowing him and his brother Greg in band.

Oddly, Bruce and I were just thinking of Barry when we Googled him. It is very sad to hear that he’s gone. We are sorry for your loss. Barry was a good man.

“ *To the Family of Barry I am so sorry for your loss. Barry was a very nice and crazy person that I have very fond memories of during our times at HCHS and the high school band. I remember the summer of his freshman year of band camp and trying to teach Barry how to march. We had a lot of laughs and lots of arguments but we remained friends for many years. Another classmate gone to soon. You may be gone but never forgotten. Again so sorry for your loss Pamela "Moore" Sosbe.*
