“ Jolynn & Nick, I grew up with your mom, back in Ludlow and even though I have never met you personally, I feel that I know you from everything your mother has told me about the two of you. She just loved you all so much, and was so proud of you. Betty just glowed when she talked about the two of you. Her smile could light up any room she was in. Everyone who knew Betty Jo loved her. She was a great friend and touched us all, she will be missed. My thoughts and prayers are with you and your families.

Love,
Peggy

“ Betty Jo was a beautiful woman, who loved her family and friends deeply. Her children and grandchildren especially were the sunshine of her life. We grew up together as children and after years apart, we reconnected in 2006. It was so wonderful to see her again and to rekindle our friendship. May her friends and family be blessed with all they stand in need of.
