“ *Brittney I had the privilege of being in your life when you was about 10 months old. You immediately grew on me. You were the gang's first baby. You was my Mighty-Might, my little Sprite. You never let anything get you or keep you down. Always a fighter your spirit and spunk was nothing short of inspiring. I will love and miss you always. Fly high baby girl, you have your wings. Love you Britt*

“ *Brittney was a very beautiful young woman with a sweet spirit and a precious and loving soul I became acquainted with her more recently when living at the Bedford House And those that knew her for a short time in her life Or for many years adored her for the wonderful girl that she was And she will be greatly missed by many whom cherished her intensely May her precious soul rest in heavenly peace and joy in Jesus Those that have lost her will always miss her And remember her sweetness And her presence around others Heaven has now gained another blessed angel My heart goes out to her loving family And to her closest friends in her life And my constant thoughts and prayers are with you Always May God bring his comfort healing and peace to your hearts and souls In him Mary Ann Holt Falmouth, Kentucky*
