“ Dear Family, Please allow me to extend my sympathy to you. Bruce has been an esteemed member of our community, faithful to his church and its outreach, and indispensable in selflessly leading our Post these last several years. He will be sorely missed. His country is grateful for Bruce's service and to you for your sacrifice in sharing him during those years. I very much regret being away during this week, and not being able to pay my respects personally. May God bless each at this time and in the coming days.
