“ Mrs. Kay we were so happy to have you in our quilting group. I see where Stephanie gets her feistiness from. Lol. My moms up there now to. Maybe y'all can get together and laugh about us and watch out for us until we see y'all again. Try and lead Stephanie in the right direction. Lol she needs a lot of leading. (Just kidding Stephanie). Thanks for being a part of our quilting family. We love you and will miss you. RIP.
