“ Our thoughts and prayers are with Cheri, Kerri and the family. I was young when we moved from Pendleton St., however, I remember Bob fondly. My parents had a deep respect for Bob and his contributions to the community. I remember running to the window everytime the fire siren would sound to watch Bob get in his red station wagon, turn his emergency light on and take off. He is in eternal peace with our Lord. Try to find solice in this. God Bless your family.
