“ *It's been over a month since you have been gone but I think of you daily. I miss you. I know you are in a far better place, and your suffering has ended but what I wouldn't give for another chance to say what I needed to say.....*

“ *I've been thinking of you so much lately. Funny how every time I turn around I'm hearing a Stevie Nicks song. Maybe that's a way of me to know you're still watching over me. I love and miss you.*

“ *Sissy, we had our ups and downs but I always loved you more like a sister than a cousin. You will be forever in my heart and greatly missed. I take comfort in knowing your pain is over now and that Mom, Aunt Sue, Aunt Roxy, Aunt Jean, and Aunt Georgia all greeted you with open arms. I love you always*
