“ Clarence. You have been such an important person in our lives. Morgan respected you and loved you for being there for her more than anyone knows. You gave Emily and I such peace knowing you were there for emergencies for us anytime day or night. A friend like you is rare in this life. You are loved, already so missed. I wish I had made you macaroni and tomatoes a thousand times more. Till we meet again my friend. With love and respect always. Marsha. Emy and Morgan.
