“ *My deepest sympathy goes out to Darrens family and friends. I worked with Darren at Clark State and he was such a super nice, funny, witty, hardworking, and genuine person. I have very fond memories of working with him, he made each day a little brighter. He is gone way too soon, a candle whose light was put out too early. Prayers for the family, RIP my friend.*

“ Before you tell your life what truths and values you have decided to live up to, let your life tell you what truths you embody, what values you represent. I worked with Darren and I knew him to be a delightful, dedicated, and extremely helpful guy. He was always willing to do whatever to make things not just right but good. My thoughts and prayers go out to Julie and his family for a life lived in honor of service to our nation, community, this college and his family. My God receive him and keep Julie until the day they are reunited. I pay tribute to a good guy. Gone way too soon.

“ To the Smith family you my heartfelt condolence on Darrens passing. His passing was way to soon and only GOD knows what his plans are for us and our time is limited on this earth. I worked with Darren at the college since he came onboard to our team. He was a outstanding co-worker and was a great friend and was always there to give you you a helping hand when you needed it. I will always remember his smile and humor and wit. May GOD watch over each of you in this difficult time and in the days ahead.
