“ *Last year at Hilda's funeral I was glad to share memories with Keith of my years living in the Pine Grove parsonage in the 1960s. We set tobacco together and his mother was my 5th grade teacher. Keith shared his memory of helping my Dad move new pulpit furniture into the church. We had many good meals and times of fellowship in the home of Hilda and her parents. My condolences to Keith's nephews. Caddo and Pine Grove and all the sweet people of those bygone days are very precious to me.* ”
