“ I looked Doris Jean up on facebook for the first time today and was shocked to see that she had died. I did know she had cancer some time ago. I'm so sorry. Please know that my thoughts and prayers are with you all. I enjoyed talking with her at the last school reunion in Falmouth several years ago. I have great memories of Doris Jean when we were in high school and all our years together at First Christian Church.

“ *Mitchell,*

A very great friend is gone but by no means forgotten, the Falmouth Class of 60 had many great times and memories. I'm so very grateful for the time that I got to spend with Doris a few weeks back. I'm sure that God held out his hand to welcome her just as she did to me when I came into yur home. You are a one of a kind husband who has always been there for Doris! Take care.

“Doris was such a sweet person. We always enjoyed talking to her at the auctions we all seemed to attend. (She laughed at how many Christmas Trees she had and would buy more). We were thinking about her the other day--but she is at rest now. Our thoughts and prayers are with you. Take Care and God Bless.

“Our deepest sympathy goes out to all of the family in the loss of Doris. We could have asked for no better next door neighbors while living on Pendleton Street than Alma and Wilson. They became like a part of our family and we enjoyed so much the time we got to spend with Doris and Mitchell and get to know them. Doris was so faithful to always send birthday and Christmas cards each year. We will continue to remember each of you in our prayers during this difficult time. God Bless.
