“ Our hearts are broken. Yes, we are missing her. She was more than a sister and sister-in-law, she was our friend. Go rest high upon that mountain. . .

“ My most sincere thanks and appreciation to everyone who visited with us yesterday. I think Dorothy would have been tickled pink at the way things turned out. I know she would have been awestruck at the amount of love, dedication, and friendship shown to our family. Thank You All!

“ I would like to express my sympathy in the loss of Dorothy. I was a co-worker of hers when we worked at Griffin Industries back in the mid 1970's. Memories will be what is the most comforting to you in the days to come. Looking to God is the answer.

“ Dorothy is going to be greatly missed. There were not too many summer days at mom and dad's when you were not out in the yard spending time with my family. You never missed an event, my wedding, showers, baby showers, etc. You hold a special place in our hearts. "Little Bit" will miss you. Prayers are with Paul and the Kidd Family.

“ We have had many wonderful memories together. It will be awful lonely this summer as time comes to meet out in the yard and talk for hours. Thoughts & prayers are with Paul and the entire Kidd family.

“ As Paul's "brother," I will always appreciate Dorothy taking me in on breaks during our college years. She had so little but gave so much. I still remember breakfasts of a huge pile of biscuits, about a gallon of gravy, a pound of bacon, sausage patties, toast, scrambled eggs, and fried apples. Dinners were even bigger. Mom #2 was a great woman.
