“ *Dear June, Shirley, and family,*

I am very sorry for your loss AND that I have missed the opportunity to express my sympathy and pay my respects, in person--so often happens at holiday times.

I know that this will have made it difficult to enjoy the Christmas Season, but I wish you well in the coming days.

I thought a lot of your Mom, and though we have not had the opportunity to have spent a lot of time visiting of late, I will miss her. She was a Sweetheart, and she loved you all very much.

With sympathy,

Donnie
