“ *My mother had a beautiful smile and loved meeting and talking to people. She especially loved children. I am thankful to have had her as my mother. She encouraged me to make the most of life. Her faith in God helped her through many trying times throughout her life and provides an excellent example of keeping God first. I also am grateful to have had these last years to be closer to her. I know she is in heaven rejoicing she is finally home. I love you and will miss you so much.*
