“ So my last memory of this monster is when I was years old and he was molesting me. To this day I remember every detail to this day. He also molested my sister my cousin and his 2 ex step daughters. My dad was the head pastor to our church and Gary was a pastor also he ended up getting married to my aunt and thats when he was molesting all of us. My testimony at 2 years old put this pervert in prison. I can only imagine how many girls he molested since I was 2 years old..... their was 6 of us by the time I was 2!!!! God knows how many he has molested in the past 40 years while preaching God's word. Gary I have always wanted to walk in your church and tell everyone what you did to all of us. But I just found d out you were dead today. You are one thing that I will never forget which is waking up at 2years old with your pens in my hand. May God have mercy on your soul!!!

“ I just had the privilege of meeting Pastor Gary in the Falmouth Post Office little more than a month ago, perhaps two. It was such a pleasure. I found out that he was a proud veteran, and invited him to our American Legion Post. He seemed to be very interested, but unfortunately we never had the pleasure of having him join us. I am confident that Neave was blessed to have him and Mrs. Tucker pastor their church. My sincere condolences to family and friends at this unimaginably difficult time.

“ Marie from Logos Bookstore: We will miss them to the end of the age. Gary was a spiritual father to me and would come in regularly to search for items that would enhance his preaching and teaching. I know the church will miss he and Betty and so will we. I'm excited to one day see them again in heaven.
