“ *Dear Family,*

Several times recently I have thought about your Mom and loved one, always Geneva Pearl to me. I have known nary a sweeter lady. You have my sincere sympathy in her passing. But I am sure that it helps to know that she and Russell have so enjoyed and been relieved by their long awaited, warm embrace!

May you be blessed by many sweet memories.

Sorry Randall,

I know that you did or would have chuckled:

I remember that you worked with Uncle Bob Wagner for years, “ran” Wyatt’s with Geneva’s help (!), and found time in between to have a street and a ridge named or virtually named for you, but my electronic device was too young (to remember, I guess).

You and Geneva have left a fine family and great legacy.
