“ We just learned of Mickey's passing and wish to express our sincere sympathy to family and loved ones.

Though, I did not see Mickey often as an adult and my having moved away, I have very fond memories of Mickey growing up. Mickey was a great kid, full of fun with a big heart and a big smile. I am sure that these same characteristics carried over into his adult life. I know that he will be missed by all of those who knew and loved him.

“ The Utz family has always been special to me, and I feel your sadness at this time. Mickey spread joy with his friendly and happy personality, and that is what I will remember most. I will keep your family in my prayers because I know that this is such a sad time. Try to think of the good times, laugh about the silly times, and just be thankful for the time you had together. Again, know that I along with many people are thinking of you, praying for you, and knowing that time can help heal the pain you feel.

“ *We grieve with you. Micky was a blessing to all who knew him. He fought cancer with dignity. We will never make sauerkraut without thinking of Micky. He did enjoy eating with us. We pray that God will give you comfort in knowing that Micky is in a better place and cancer free. Yes, he WILL be missed.*
