“ *Glen was one of my many cousins in Falmouth. He was always interested in cars and good times with friends. His interest in electricity had to have come from his Dad, my Uncle Ralph Wilson.*

I am Mel Colvin's son (Virginia was Dad's sister). We always stayed at the Wilson's home when visiting for a weekend, which was often. All of the families would gather at our grandparents' farm, JT and Jessie Colvin, for precious times together. "Glennie" will be missed.
