“ Sandy,

Am so sorry to hear of Glen's passing. I worked with him for 12 years at NUCO and also played softball with him on Monday nights. He was the best and he and my late husband Terry, who also worked for NUCO liked each and worked together alot. Glen was very good to me when Terry was killed. Just think, they are up in heaven talking about old times and neither one of them will suffer no more.

Prayers to you,

Teresa A. Keiser

“ Sandy, I am so sorry for your loss. Glen was an extra special man and I know he will be dearly missed. He was so full of life and laughter I would visit the warehouse just to chat with him. He is in a better place now watching over the love of his life (and we all knew it)! I will keep you in my prayers, both of you made my years at NUCO filled with great memories.

“ Sandy, I can't imagine what you are going through. I want you to know you are in my prayers, and I pray that the shared sorrow of yours and Glen's many friends helps to ease your burden. Glen was one of the nicest people I ever worked with in my career. It was truly a privilege to know you both.

Many blessings,

April
