“ We sure are going to miss you. We always enjoyed listening to the stories you would tell. You were a wonderful neighbor. Rest in peace.

I couldn't attend the funeral as I was sick. I'm going to miss you Jack and as a firm believer in God I know that you know that. Our phone calls and talks on the phone were good ones that brought back a lot of good memories and made me feel good. I appreciated your visit with Dad before he died I know you truly cared. I know by now you've seen Dad and greeted one another. May you have a great reunion in heaven and await the rest of our Yelton family to join you in heaven!
