“ *Daddy,There are no words that could express what you meant to me. You made the Calvert name what it is. I will miss seeing you on the front porch waiting for me to come in from fishing or hunting to see what I had got. You always had my back regardless of the circumstances. You treated people with respect. You worked so hard to make sure we as a family had what we needed. Like Regina, I am lost without you, and yes, Morgan will never be the same. I am so proud to call you my DAD. So, until we meet again, watch over Regina, Julie and myself. I love you and I miss you.*
