“ Drew, Megan & Family-

We lost a great man! I can remember his uplifting spirit and positive outlook on life. My family will never forget his kind hearted approach to life. One of our favorite family stories involved Jim assisting our family with the display of our fresh cut family Christmas tree. A tree with a trunk so large that only Jim could master it with his handy machete (I think his persistence finally paid off somewhere around 1-2:00am in the morning that night he helped us out). Overall, we will remember him as a gentle and loving giant. Somewhere in that grand and glorious place called heaven a little boy has been given his favorite Lionel train set from a man who just wants to make others happy; what a great man! He will be missed but not forgotten.

Our thoughts and prayers are with you.

Love, your friends,

“ Dear Drew & Posinski Family,

So very sorry to hear of your loss. I knew him as Mr. Posinski. My brother Chris & Drew grew up together, the two of them were always together. Chris & Drew were like brothers & us Winiarski's always thought of Drew as one of us. Anyway back to Mr. Posinski, just recently for some reason I was just thinking of Mr. Posinski he was the man we called to see if he could come up and trim our Christmas tree because the trunk was too fat to fit in the stand. 11:00 o'clock at night here this man is on his hands & knees in our living room with a machete, sweat just running down his face while we all just watched him. He was a wonderful man. Chris & Drew would go trick or treating & Mr. Posinski would take them up to the hospital to get their candy x-ray. Nobody else had the patients to stand in line but there again was Mr. Posinski was the man. I only know him as a neighbor but what I did see is that he loved his children & he loved helping when someone else was in need. My thoughts & prayers are with you all. May God Bless all of you through this difficult time. Love & prayers to all.
