“ It was a privilege to work with Jeff at DRS. I have fond memories of his common sense; and his great laugh when it was hard to make sense of things at work. In the short time we worked together, he taught me so many things. My deepest sympathy for Sandy and his family.

“ My thoughts and prayers go out to Sandy and the rest of Jeff's family. I worked with Jeff at DRS for around 6 years and he was a wealth of knowledge that I leaned on when I was starting out in cost estimating. He was patient and helped me out whenever I had questions. Jeff always had a good sense of humor and good story to tell. I am saddened to hear this news and his memory will live on in all those who knew him. God Bless! - Chris Markus

“ I grew up having Uncle Jeff around me. Uncle Jeff could make you laugh. When I was younger he had a yellow buggy and one time in particular during the winter he took me and maybe my brother out to an elementary school parking lot and did donuts. It scared me at the time but I smile now thinking about it. I will miss him. Love you & will miss you Uncle Jeffro.
