“ Dear Arnold and family, Doreen & I were deeply saddened to hear about Jo. We have many many fond memories of Jo & yourself as loving Kentucky grandparents to Lauren & Logan (and wise & faithful parental figures to us). We will cherish our time with Jo and all the countless birthday and anniversary cards we received in the mail. No matter how consistently they came they always were a pleasant surprise that made us smile and think of Mother. We are so thankful for our relationship with Jo, yourself and your family.
