“ To John's Family: I know you don't know me, and I never had the pleasure of meeting any of you. I worked with John in the 80's at Excepticon, a residential facility for adults with special needs. I enjoyed John's humor as well as his compassion and kindness. He was a very giving man and a huge advocate for our clients. We kept in touch for a couple of years after he moved to New Mexico and then sadly lost touch. I didn't even know he was back in this area. I will always have fond memories of John. Please accept my condolences.

“ *I am so saddened about the passing of john. I so enjoyed talking to
him at church . The last time I saw him was very recent when he
was the door greeter. Such a kind and caring man. He will be
missed at st. Edwards. May God give you strength and comfort at
this sad time.*
