“ We were so sorry to hear about the passing of Kenneth. We did not hear of his passing until after the funeral. Mom (Faye Pugh Leach) always talks about staying at their house in 1954 and Kenneth helping her get on the school bus her very first day of school. Sending lots of prayers for the family.

“ *Dear Family,
Such a sorrowful surprise to hear of Kenneth's passing. During this last 8-10months things have just slipped up on us, but not heard that he had been having troubled health. You have my sympathy.
