“ *My daddy will forever be in my heart. I'll never forget the day he found out my daughter, Stefanie, was naming her son after him. He was so proud. He wouldnt believe it until the day she had him. Mom came home and he asked her what was the babys name. She told him Landon and said,"I told you she was naming him after you." He was on the moon that day and told everybody about his great grandson that shared his name. He lives on through the baby and in our hearts always.*
