“ I will always remember Uncle Larry's career as a State Trooper. He was kind to the Family whenever we came up to Falmouth to visit.

“ I played softball with and against Larry in Falmouth and at Vater's and he was a joy to play with and talk to after the games. His slow southern draw made his stories that more interesting as you had to listen and wait for him to get to the end which usually turned out to be a funny tale. I was very sorry to read of his passing and I extend my sympathy to his family.

“ *Very sorry to hear this. I was conducting a traffic check one afternoon and he stopped in his personal car. He was laughing when he handed me his license. It had picture of a stuffed monkey instead of him. I ended my check point shortly. I was laughing with him so hard. I always liked him.*
