“ *Leah was a wonderful person to be around. I don't think she had a mean bone in her body. Her smile could light up a room. She was a dear friend to me. I was welcomed into her home and her family. George, my heart goes out to you, Leland, Mom and Dad, just as Leah did, you all made me feel welcomed anytime i visited. I'm sorry I wasn't able to stay, but I do want you to know you are all in my heart and my prayers. I love you all very much. Leah is in a better place now with no pain, and when our day comes to join her she'll be there with a smile on her face and her arms wide open. Much love and God bless.
