“ I just found out we lost Dean. I worked with him at Dover. He was so good with the residents and made them feel like rock stars. I'll never forget the energy he brought to everyone young and old. 💕💕

“Gone too soon” although I only got to see Dean occasionally, he was always such a hoot!! The last time I saw him, he was on his way “to get (his) hair did!!” Delightful, kind, and a pleasure to know. Heartfelt sympathy for his family.

“ I met Dean during a very difficult time of my life, some five years ago.

*I was placing my childhood hero, friend and Big Brother in a nursing home, after He suffered a severe stroke.*

*Dean helped in making that transition less painful. Dean not only scheduled the staff where my Brother lives . He also was a hands on person. There was NOTHING His staff was asked to do that Dean Himself would not do Himself to help His Residents.*

*Dean is genuine and such, a caring, loving soul.*

*I cannot even began to imagine the reunion of people whose lives have been touched and blessed by Dean that now greet Dean there in Heaven. The countless persons Dean cared for and loved and helped to make their final stage of their life much, much more bearable. Dean has been and is a blessing.*

*Dean most certainly has been a blessing in my life.*

*I know there is some serious dancing in Heaven at this time, for sure.*

*To The Insko Family thank for sharing Your Angel Dean with us all.*

*Dean, I love You and until I see You again, stay smiling and Shining on us all. Thank you for everything,*
