“ *I LOVE YOU GRANDMA!!...I have been sitting on the words above for a long time just staring into the computer screen! I hope you are NOT too disappointed in me, my silence, my unhealthy actions and distance away kept us away from having a relationship together and with you and your grandson Ethan! Just please watch over us and help guide me north! You are missed and loved and I didnt get to say that the last few years, im sorry! I always enjoyed my childhood visting you and grandpa! I have missed your cooking! I love you!!!!*
