“ *The first time I met her she was at Grant Co, Hospital with her husband , she said I was the sweetest nurse she had ever met and wanted to know if I had a daughter and how old she was , I told her and that she was a nurse also. told me to bring her in to meet her son Joel, said if she was have a pretty and sweet as me the Joel would be in heaven , we laughed all evening , Every time I seen her after that she would always ask me if my daughter found her a man yet and Joel was available we always joked each other, She was such a beautiful person, never complained about anything , God gained a beautiful soul and I am so fortunate to have met this sweet lady, God Bless you and yours*
