“ I have had the pleasure of working with Marketta for over 20 years. I used to speak to her 10 times a day or more when she worked for Sara Lee and then again when she started with Chiquita. I was so happy the day she started working with Chiquita. I sang to her every day...Marketta from Chiquita...we would giggle, catch up on a little chit chat and then get to work! She was always a highlight of my day with her kindness, friendship, and professionalism. Even when things changed within the company I work for, months could go by without speaking, and I would call Marketta and sing my goofy song and she would laugh and know immediately who was calling. My deepest condolences to the family. You are very fortunate to have had such a wonderful lady in your life.

“ *Jamie & Jennifer,
Regrettably I wasn't able to attend and honor the funeral of your mother but wish to extend my sympathy and prayers to you. I had the opportunity to work with Marketta over several years both at Sara Lee and Novolex. She was a lady of grace and kindness. She always had a great disposition towards life and I will miss her smile and caring.*

Marketta was such a great down to earth neighbor. I thoroughly enjoyed the invitations she and Gary would offer to come sit on the porch with them and enjoy a relaxing cocktail and friendly conversation.

Please accept our condolences on her passing.
