“ *Mary was incredibly important to our PB family. She was a smiling face in the morning, a terror on the phone when she had to be, and made sure our i's were dotted and our t's were crossed on all our paperwork. We could not have been successful without her. She loved Garmisch-Patenkirchen and her days at Perry Park. It was fun to listen to her stories. It was a blessing to have known Mary and to call her a friend. Her memory will live in our hearts forever.*

“ *Mary was our dear friend, and colleague who was such an important person in our lives at Pitney Bowes. We enjoyed her traveling journeys, and hearing about Jerry and the boys. Our hearts are broken for all of her family and loved ones. Mary was full of life and adventure, and her legacy will forever be in our hearts.*

*Thinking of you all, with love,
