“ Mrs. Turley welcomed me into the family when I was a little girl. I so remember the many quilts and other crafts she made us. The one I am most proud of is the one she made me of the farm. I picked out the pictures, she painted them and made my quilt. I appreciate all the days she watched Gretchen for me when she was too sick for daycare or school and I had to work. Love you, (Momaw) Mrs. Turley

“ I am so proud of my Mammaw Turley. For many things but most of all for going to college, getting her degree to teach, all while raising her family. I remember fondly eating chocolate cake with warm chocolate sauce while she let me help her grade some of her students homework.
