“ I have sweet memories of Aunt Mattie. When I was a child she was so kind to me and always made me feel special. I still have a beautiful heart-shaped necklace that she gave to me when I was eight years old. I will always be grateful to her for being there for my mother when I was born. She is in glorious heaven now, no longer suffering, but full of joy!

“ I will always remember Aunt Katie with a glass of beer in one hand and a cigarette in the other. She'd greet you with a smile on her face and love in her heart. I saw on my way home from work yesterday, the sun trying to shine through the clouds, there were these beautiful sun rays, and I knew at that moment that Aunt Katie had reached heaven. And gave our Lord that sweet smile of hers. He has her now.
